ABOUT US

Talento Group

Founded in 2018, Talento is first and foremost a recruitment partner. But we're so much more than just recruiters. Not only do we find, place and onboard exceptional Operations and Management talent for our customers, but through training and job creation, we empower our customers and our team to harness their skills, elevate their career and power massive business growth.

Our mission is to power business growth in manufacturing by connecting people and elevating careers. Our vision is to help build a workforce that transforms the future of manufacturing by connecting exceptional people with exceptional businesses.

Talento is your solution for all things recruitment. Effective recruitment saves you time and money, and improves employee retention and loyalty. Talento will partner with your business and a thorough understanding of the role scope, and of your operations, culture, and goals we can deliver positive business outcomes.

We combine years of industry experience in traditional time honoured HR practices with the latest talent acquisition systems. Talento's experts become part of your team - we're always there to offer creative solutions and ensure your people get top-notch service.
